

Each year, the members and staff of Palmetto Percussion must raise over \$50,000 to meet the expenses of instruments, uniforms, travel, competitions, and rehearsal sites, among other things. This money is raised through fundraisers and more importantly, sponsorships. Today, you can become an individual sponsor by helping a member of our organization to pay their membership dues of \$950, OR you may become a supporter of the entire organization and make a general donation to the group. By becoming a sponsor of Palmetto Percussion, you will have your name listed on our website as a loyal supporter of music education in South Carolina. Thank you for your time and support.
